Leadership Expansion=Ministry Growth

Since 2007 Connie and I have lived in four different cities and trained ten groups consisting of over 370 pastors, church leaders and church workers. Many of our graduates have pioneered new churches or are now serving in their local churches.

This past year, Connie and I began sensing the Lord leading us to transition from being Director's of RBTC in China and Hong Kong to being in

more of an advisory capacity, which would allow us to focus on new areas of ministry that we have not previously been able to commit to.

In July of 2016, Rev. Amos and Doris Wong, our long-time friends and coworkers in China, officially became the new Directors of RBTC China and

Hong Kong. We are very excited for them and for what the Lord will do through them to expand the work in China, Asia and to Chinese-speaking people around the world.

Connie and I will continue to work very closely with Rev. Amos and Doris, assisting them with planning and expansion. We will also continue to develop and expand the RBTC

Chinese online program, as well as continuing to expand book translations and ministry resources for Chinese pastors and leaders.

Connie and I will continue to live and work overseas, traveling and teaching in Asia and other parts of the world. We will continue to be an active part of RBTC China/Hong Kong and an active part in bringing the message of faith to Chinese-speaking people globally.

Prayer Point: Pray for Rev. Amos and Doris Wong as they assume the Directorship of RBTC China/Hong Kong. Also pray for wisdom for the Crowl's and the Wong's concerning the expansion of our programs globally.

A New Look for GCIM... After ten years, we're excited to announce that we will be launching a refreshing update to our communications! You'll start see-

ing the updates on everything from our letterhead to our newsletter to our website. For now, we wanted to give you a "first glimpse" of our newlydesigned logo which will officially debut later this summer with the launch of our new GCIM website!

The new website will not only give us a fresh look to help us communicate the vision and purpose of GCIM, but it will also make it easier and more streamlined for you to access our updates and information. We are finalizing some of the content and logistics, but we are excited about the new look as well as some of the new features that will be added. As the site continues to evolve, we plan to offer free resources, including sermons and teachings from both Connie and I, as well as other materials that will help convey what GCIM is doing around the world. We look forward to these new ways of staying connected with you!

2017 Partner Meeting...Casting Vision...

In February, we hosted our 2017 partner meeting. During our time together, we were extremely blessed to have RG Conlee, the former SVP, Chief Innovation Officer of Xerox Business Services, demonstrate a preview of our RBTC Online Chinese program. RG has been so gracious to donate his time and resources to help us develop and launch an amazing program that will help train Chinese-

speaking people around the world.

We would like to personally thank RG for his help, his expertise, and especially for his generosity in making this program a reality. On a side note, in May, we began doing live testing of the online program in our region of the world. We are planning to launch a version of this program by the end of 2017.

We also want to thank all of our faithful partners who attended our meeting. We are tremendously blessed to have partners who believe in us and the work God has called us to do. Thank you so much for your love and commitment.

Prayer Point: Continue to pray for our online program team members and for the resources that will be needed as we prepare to launch this program by the end of 2017.

NE Asia RBTC Training Continues...

In January we began a new training program in NE Asia with 36 new students. Connie and I recently returned to the same location to begin the second of four terms of training.

This term, Pastor Ron Bakken of Faith, Hope, Love Church in Moorhead, MN, accompanied us as a part of the teaching staff. We were blessed to have Pastor Ron teach four of the eight courses that were offered this term. We received many wonderful testimonies from the students

regarding how the teaching from Pastor Ron impacted their lives.

We want to thank Pastor Ron for his willingness to take time away from his family and church to help change the lives of pastors and church leaders in NE Asia, and their congregations, too.

Prayer Point: Continue to pray for safety for our instructors and students. Also pray that the students will not become weary in well doing, but will finish their training program.

Asia and Beyond...

Throughout the year, Connie and I have the opportunity to travel to many of our partner churches. This is always a highlight of our Stateside visits because we are able to personally talk with pastors and share with them and their congregations what their partnership means to us and to the Chinese people.

In February, March and April, Connie and I traveled to sixteen churches in seven different States. For the rest of this year, we have plans to visit even more Partner churches in Alaska, California, Massachusetts and New York in addition to making more international connections in Canada, Norway, Singapore, Thailand, China, Germany, Greece and Albania.

As you can see, as we've stepped out in obedience, God has been opening the doors to even greater spheres of impact. We invite you to follow the details our itinerary on our website: www.gcinternational.org
