

2017 Year in Review

Connie and I, along with our staff, want to say HAPPY NEW YEAR to you and your families. As we begin a new year, Connie and I are excited to share that we have relocated our ministry base to a new country! We are now traveling and ministering from Vancouver, Canada. This new location allows us to be a part of a Chinese community that consists of every Chinese-speaking group. We have great expectations about this new base of operations that will allow us to continue to impact Chinese and to travel in and out of China. At the start of each new year, we like to give a brief highlight of what GCIM has accomplished and what our key goals are for the year ahead.

You're a big part of it all!

Dan & Connie

Our Thankfulness to You...

2017 was a tremendous year in terms of ministry accomplishments, mainly because of your prayer and financial support. As we look back over this past year, we are thankful to the Lord for his faithfulness to continue to provide opportunities for us to expand the Gospel, not only in China and Asia, but also around the world.

As we start this New Year, we want you to know how much we love you and thank God for you. Connie and I are constantly amazed by the faithfulness and love of our partners and friends. Thank you for your love and commitment to our work! May 2018 be the beginning of a year of new opportunities and spiritual advancements for your and your family. We are always your friends and missionaries to Asia and beyond!

Our Commitment to You, and to China, Asia and Beyond...

We want to assure our partners and friends that we are very much still involved in the work in China and Asia.

Even though we have relocated to Vancouver, our mission has not changed. We are helping with the work Rev. Amos and Doris Wong are doing in Vancouver and in China. In addition to that, we continue to be very active in completing additional Chinese book translations and in launching our online Chinese program this year.

We are working with pastors and leaders in several nations, through pastor's round table conferences and seminars, as well. We believe strongly that this is also a part of our mission to shape leaders who will in turn change nations.

In December, we completed a tour in China where we held conferences and met with alumni. In 2018, we plan to help facilitate a church pioneering and networking strategy in China that we believe will greatly enhance what has been accomplished through our training programs, and will help establish a solid church movement that will impact many people.

Continue to pray for Amos & Doris and Gary & Connie as they enlarge and establish their ministry base in Vancouver, Canada.

Continue to pray for our online team – our video editing team, our translation team, and our web developer.

Also agree with us for God-directed partnerships as we develop our church pioneering and networking strategies in China.
