

GARY CROWL INTERNATIONAL MINISTRIES

SHAPING LEADERS - REACHING NATIONS

2019 Summer/Fall Update

## Extending Our International Reach

We had a full Stateside schedule this summer, but beginning October 1st, Connie and I will be on an extended international trip that

will take us to five different nations. We have ministry stops scheduled at various locations in Hong Kong, Thailand, India, Greece and Albania.

While in Thailand, Connie and I have the honor of speaking at RHEMA Bible Church Bangkok's 20th anniversary celebration. In 1999, Connie and I, along with a great team of RBTC USA graduates, relocated to Bangkok, Thailand to establish a local church and Bible school.

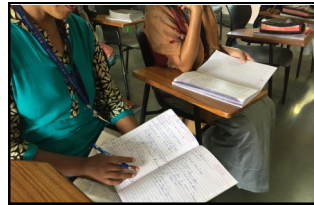

Two years later, Connie and I relocated to Singapore to pioneer again, but the ministry in Thailand was assumed by the wonderful leadership of Glenn and Beth Hardeman and then Keith and Sharon Higginbotham. Under their direction, the school and church have grown significantly.

RHEMA Bangkok is making a significant impact in Thailand and the surrounding nations. Over 90 churches have been planted by their graduates in Thailand and neighboring Myanmar.

We are tremendously excited to be a part of this anniversary service and to experience the great things taking place through this ministry.

***Pray for Thailand for the anointing to minister effectively through teaching and impartation.***

From Thailand, we travel to India for a one week pastor's conference. GCIM, along with Tom Harrington, pastor of

Living River Church in Louisville, Colorado, will co-host this conference for 150 pastors who are coming from a very persecuted region of India. We are especially excited about this opportunity because the majority of these pastors have never experienced a conference like this. We will be giving each pastor several faith-building books and an mp3 player that will contain all the messages and ministry from the conference. Thanks to many of our partners and Pastor Tom Harrington's church, all of the provision has come in so we can underwrite the entire cost of hosting this conference.

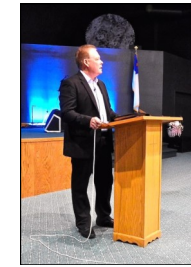

***Pray for our protection and for the anointing as we teach and minister. Believe with us that the Holy Spirit will do significant work in each pastor.***

From India, we travel on to Greece where we will spend some time with our wonderful friend Spyros Voulgaris, as well as his church and ministry team there and in Albania. We will be speaking in their local church as well as teaching in two different Bible school locations. We are always blessed to have the opportunity to invest in the lives of many beautiful people in that part of the world.

***Agree with us for strength as we finish our travels and for the anointing to accomplish what is needed in all of these locations.***

## Summer Ministry-From Coast to Coast

As I mentioned earlier, Connie and I have had a full Stateside schedule this summer. From May to September, we visited eleven states, including Tennessee, Kentucky, Iowa, Minnesota, Illinois, South Dakota, Michigan, Florida, Georgia, Texas and

California. We connected with nineteen churches, but impacted even more as we had opportunities to not only speak to many of our partner congregations but to many other pastors and leaders at some RMAI meetings as well. In all, we ministered over thirty times in those six months.

Connie and I want to thank all of the pastors and churches we visited. We were treated with exceptional love and generosity at each location. We were encouraged to see every church growing and thriving in their perspective communities.

We have the best partners in the world and we continue to pray for you that you will be blessed in return for all you sow into our lives through your faithfulness to give and to pray.

## The Art of Prayer

We are excited to announce the completion of our latest FLP Chinese translation: Kenneth E. Hagin's book The Art of Prayer!

Special thanks to Wayne Li for his many hours spent on this project with translation and layout. We are also grateful to the many who gave toward the costs of the translation.

We are in the process of developing a specific website for our Chinese FLP publications, many which will be available for free download in order to make the life-giving truths in these books accessible to as many people as possible. We hope to have the site live by the end of the 2019.

## Amos Wong Ministries International

I want to take time, again, to highlight the ministry of Rev. Amos and Doris Wong, the RHEMA China and Hong Kong Directors. We have mentioned their ministry a few

times in previous articles and e-updates, but I believe so much in this couple and the work that God has called them to that it was on my heart to feature them again.

Amos and Doris first began working with us in 1999 when we relocated to Bangkok, Thailand to establish a church and Bible school there. Amos and Doris committed to partner with us in reaching that nation with the Gospel twenty years ago and have been faithfully serving God through all these years.

Later in 1999, Amos and I took our first trip into China. From that day until now, Amos and Doris have focused their efforts and resources on that great nation. In 2008, while we were living in China, God reconnected Connie and I with Amos and Doris again. We began working together, planning together, and dreaming together about reaching the world's largest populated nation with the same teaching that changed our lives.

In 2016, Amos and Doris became the International RBTC Directors of China. From that time,

Amos and Doris assumed the full RBTC leadership position of establishing schools, teaching in conferences, and developing resources for Chinese-speaking people around the world.

Over the past 20 years, Amos and Doris have taken innumerable ministry trips into China. They have a passion and a love for Chinese people that has compelled them to

give all for the sake of reaching Chinese-speaking people with the Gospel. They have ministered in house churches, government churches, Bible studies, conferences, businessmen's meetings, marriage seminars... any doors that open to them.

They have touched countless numbers of mainland Chinese, as well as Chinese in Taiwan, Thailand, Singapore, Malaysia, Canada and the US. They continue speak in churches and conferences anywhere there are Chinese people. This calling has consumed them to the point that this is their primary calling.

I am specifically asking you to pray about becoming a partner with the

Wong's ministry. In fact, I believe so much in what God has called them to do that I am asking you to redirect some or all of your support from GCIM to Amos and Doris' ministry.

We have enclosed specially marked envelopes for anyone who would prayerfully consider supporting Amos and Doris on a one-time or monthly basis. If you choose to use the enclosed envelope, make your check out to RHEMA Bible Church and designate your gift to "Amos Wong". For more giving options, please visit [www.amoswong.org](http://www.amoswong.org). Together, we're reaching the nations for Him.
