

Winter Update Expanding Vision for 2020

Over the past 14 years, Connie and I have focused our ministry on China, Southeast Asia, and the Balkans.

We have seen the Lord do tremendous things in the lives of so many people. God has raised up outstanding individuals who have taken the work of God to a new level in many of these nations.

As a part of our global outreach, we will continue to travel in and out of China, Southeast Asia, India, as well as into the Balkan

nations. We are also committed to maintaining the development of spiritual resources for Chinese-speakers globally, including the translation of faith-building books and the ongoing development of electronic media.

received specific direction concerning the next phase of ministry. We desire to share this new direction with you in this newsletter.

Global and Local Impact

A part of this new direction is to become more intentional in what we do internationally and locally. GCIM will always have an international or global reach in its ministry emphasis. To be more productive, though, we will target individuals and nations that God has specifically laid on our hearts. This means that we will spend less time in the Bible school classroom and more time helping key individuals become spiritual leaders and use their ministry gifts to impact their perspective nations.

Strategic Focus on India

One part of our intentional ministry focus for 2020 is the nation of India. Last year we became connected with a particular ministry in

Delhi that is making a tremendous evangelistic impact in a specific region of India that is currently experiencing severe Christian persecution.

Last October, GCIM partnered with Pastors Tom and Kristy Harrington and Living River Church in Lafayette, CO to hold a pastor's conference for over 80 pastors and church workers that travelled from this persecuted region in India.

During the conference, Pastor Tom, Connie and I all agreed that we should continue these training conferences and focus our efforts on key individuals

who represent the churches and the work taking place in this part of India.

We all agreed that we would commit at least two to three more years, holding one to two conferences a year, training key leaders. Our goal is to not only instruct these leaders but also to train them to take what they have received and teach those that we cannot reach.

We are excited to announce that we have scheduled our second training conference in March of 2020. We are also happy to have Rev. David Beebe joining us at this conference. We plan to

combine our efforts to give as much instruction and training as possible over five days.

GCIM and Living River Church are underwriting this program. We covet your prayers and any financial support that you would like to designate to this ministry focus. You can give specifically to this India Pastors Conference by visiting our webpage at www.gcinternational.org and clicking on our project section. Thank you for helping us change an entire region in India by impacting the lives of these pastors and church workers.

FLP Chinese: Free Digital Resources

In January we released a new online resource for Chinese-speakers: www.flpchinese.com. This website focuses on providing free

downloadable PDF files for many of the FLP books that have been translated into Mandarin. It is our desire to continue to offer materials that will reach into the Chinese community globally. This resource will help us accomplish part of that goal.

Stateside Seminars—Prayer and Holy Spirit Conferences

In addition to our global outreach in 2020, GCIM will begin holding conferences and seminars in churches throughout the US. The purpose of these meetings is to focus on subjects such as prayer, the ministry of the Holy Spirit, and the need for global missions.

There is a special connection between prayer and the fulfillment of what God wants to do through every church and every believer in

these last days. We have a sense of urgency to stir up the desire for prayer, especially scripturally-based, intercessory prayer. We want to help reignite a passion for prayer

and a recognition of the ministry of the Holy Spirit in and through the life of the believer.

We are already scheduling these types of meetings for 2020. All of these meetings will be held in local churches and are open for anyone to attend. We encourage you to check on our website for the most current dates and details of our seminars and conferences.

2020...41 Years of Service For Him

We covet **your** prayers as we enter this new year and this new spiritual season of ministry. This year is our 41st year of full-time ministry. Over the past 40 years, we have developed a profound dependence on God's ability. It has been a humble journey and a rewarding journey. Our heart has always been to be in the center of God's will and to help people discover their purpose in life.

North East Asia and Myanmar

In January, I had the opportunity to accompany Rev. Amos Wong and Wayne Li to travel to a province in NE Asia to teach our alumni and pastors during a one-week conference. The presence of God was very strong in every service.

Rev. Amos Wong also announced that he will begin two training programs and six prayer centers in the country this year. It was a joy to see many of our alumni and to know that God is using them to teach and train the church in their nation.

From NE Asia, I travelled to Bangkok, Thailand to help Rev. Keith Higginbotham with two conferences held in Myanmar. First, I spoke at RBC Bangkok and then we were a part of two, 3-day conferences in Yangon and Mandalay.

The anointing was very present in every service. We heard many testimonies of how God spoke personally to those who attended in Yangon, and the receptivity of those who attended both conferences was amazing. God is doing some marvelous things in the nation of Myanmar. Thank you all for your prayers and your giving that is helping us continue to shape leaders and impact nations.
