2021 Winter Newsletter: Our 2020 Year-in-Review

As we reflect on this past year, I am reminded of a quote I once read: *Challenges are what make life interesting. Overcoming them is what makes life meaningful. Anonymous.*

We can say "amen" to that. This year has provided us with many opportunities to discover new ways to communicate the Gospel both here in the US and abroad. 2020 has been a meaningful year because we chose to make opportunities out of challenges.

We also want to say "Thank You" to our partners and friends, who have encouraged us, prayed for us, and supported us this past year. You have been an amazing support in helping us bring the message of God's precious Love and Faithfulness to the world! At the start of every year, we like to share a brief highlight of what GCIM has accomplished the year before and what we anticipate for the year to come. Thank you for being a part of it all with us!

2020 Ministry Highlights

- Traveled to NE China and met with Alumni to establish and strengthen the believers through a special seminar.
- Held two pastors' conferences in Myanmar

We Believe in Supporting the Work of God Around the World!

Since the inception of GCIM, we have committed to sow finances into the work of God that is taking place around the world. We believe in the principle of generosity that is evident in God's Word. That is why we support other missionaries who have dedicated themselves to change their nation with the Word of God.

As a partner of GCIM, we wanted to let you know that GCIM supports missionaries in the following countries – China, Vietnam, India, Greece, Albania, and Indonesia. Together we are making an eternal investment in the lives of countless individuals living in these nations.

We ask you to continue to pray for all of our international contacts in these areas. All of these countries are still very much locked down due to government restrictions caused by COVID 19.

We have been in contact with all of our friends living in these countries and continue to monitor their situations. All of them are continuing to minister the Word of God despite the restrictions imposed on them. They have all had to use creative ways to minister through online platforms or small groups. We are grateful to hear the Word is still going forth, and God's power is changing people's lives! In 2021, we plan to high-

light various contacts from these nations, as we are able to, on our ministry website. We want you to know the extended impact your partnership is making!

We ask you to agree with us as you pray, as well, that the current COVID-19 restrictions will be soon be lifted and that every need will be met for these contacts through the provision that comes according to the riches of His Glory in Christ Jesus!

What About 2021?

With every new year comes the anticipation of expectation and change. All of us at GCIM are looking forward to another year to share the Good News, to impart blessings, to help encourage and strengthen believers, to expand the Kingdom of God, to become better acquainted with our Heavenly Father, to be filled with the knowledge of His will, and to experience the love and power of God flowing through us in a more significant way.

Connie and I cannot express in words our love and appreciation for you! Thank you for your incredible love, support, and prayers over the past 14 years of working in China and Asia. You have been amazing, and we want you to know that we continue to pray for you to experience God's goodness and blessings in your lives.
