

## 2021 Fall Update

### ***Still Going with His Word... From Alaska to Iowa to India!***

Certain travel restrictions still persist, but this fall, we were able to travel to Alaska to hold services in three churches and participate in a joint pastor's conference. In all our services, the attendees were excited to receive the Word of God and join in the ministry of the Holy Spirit. Our focus in all the services was to refresh and revitalize the importance of faith and the corporate anointing in building the church and reaching our communities for Christ.

We also had the privilege of speaking to a group of pastors and missionaries living and working in Alaska. It was a joy to hear testimonies about how God is using them to bring the message of faith to many of the remote areas of Alaska.

Following our time in Alaska, we were able to participate in the Fellowship Church "Faith Life Conference" in Oakland, IA. In addition to anointed ministry by Rev. Marty Blackwelder and Pastor Monte Knudsen, Gary taught and ministered about faith. It was inspiring to see how teaching about faith brought fresh inspiration and revelation to those who attended the conference.

The Word of God continues to impact India through video communications platforms, too. For five days in November, Gary taught students of RBTC Chandigarh on "Gifts of the Spirit". As always, they were fully engaged and excited to receive these precious truths from God's Word.

We are excited about every opportunity God opens to us to continue to take God's Word to the Body of Christ in the US as well as to the nations of the world.

## ***Our Chinese Outreach Continues***

The latest Chinese resource GCIM has released through our [www.flpchinese.com](http://www.flpchinese.com) website is a book authored by Kenneth W. Hagin, entitled *Jesus: Name Above All Names*. This book contains excellent teaching that discusses the redemptive realities and blessings that every Christian inherits at salvation through the power of Jesus' Name.

*Jesus: Name Above All Names*, is the sixteenth book that has been translated into the Simplified Chinese language. As with all our resources, this book is free digital resource and can be downloaded for easy sharing with others who are Mandarin readers. Print copies are also available for purchase, but the digital copies enable us to get God's Word out further and faster!

Your faithful support helps us continue to translate and make available books and materials that communicate spiritual truths that will make a lasting impact on the lives of Chinese church leaders and church members worldwide!

## ***A Personal Word from the Crowl's...***

***GCIM is expanding its base of operations to meet the changing dynamics of global ministry.***

*It is wonderful to know that God and the Gospel do not change, but the world around us is constantly changing. Because we live and operate in this natural world, there are times we must adapt or make changes in the way we follow the plan of God.*

Connie and I have focused on pioneering new works and opening new territories for the Gospel for the past forty-plus years. This journey has allowed us to live in five nations and minister in over thirty countries worldwide. *We know that pioneering is a part of our calling and that along with that calling comes constant change.* Sometimes that change happens every two to three years. Sometimes that change has meant relocating to different nations. With every change, though, there have been challenges, blessings, and adjustments. Fortunately, Connie and I have accepted God's calling to pioneer and are well adapted to change!

With that said, we wanted to share another exciting transition for the two of us that is on the immediate horizon. *We recently relocated to San Antonio, Texas and will be helping to pioneer a church in the area that will have both a local and international vision.* We are excited to see how this newest expansion of our ministry connects to what God has called us to do in the nations.

*GCIM will continue to maintain our offices in Broken Arrow, OK, as we carry on our international focus and vision.* We will also continue our work of teaching internationally, translating and developing cross-cultural resources, and helping our contacts living in China, Vietnam, Thailand, Myanmar, India, Greece, and Albania. *We are continuing to trust God for the provision needed for this international work taking place, even as this current season has us helping to pioneer this new work in Texas, as well.*

As we will not be living full-time overseas in this new season, as of January 2022, GCIM will no longer be able to receive donations from our partners through RHEMA Bible Church Missions. Therefore, *all donations for our international work will now need to be sent directly to GCIM, P.O. Box 1648, Broken Arrow, OK 74013. The listing to the left explains some of the other giving options still available to you, as well.*

We are excited about all God has ahead for GCIM, and we truly covet your continued support and prayers as we move into this new direction and expand our ministry. *We invite you to reach out if you have any questions, and we look forward to continued partnership with you for His Kingdom!*
