

We also want to say "Thank You" to our partners and friends, who have encouraged us, prayed for us, and supported us this past year. You have been an amazing support in helping us bring the message of God's Love and Faithfulness to the world!

At the end of every year, we share a brief highlight of what GCIM has accomplished. We are truly grateful about every open door in 2021, and joyfully expectant about what is ahead for 2022.

We are grateful for the opportunities to share the Word of God with so many beautiful people around the world. Our passion is to help people discover their purpose in life. As long as GCIM exists, we will continue to follow God's plan to accomplish that vision.

## ***We Continue to Make An Impact in China***

GCIM continues to impact China through our online resources website. In 2021 we added five new translations to our site. Even though China has become increasingly restrictive of the Gospel, we see a steady increase of individuals in China downloading our materials.

This past December, we saw over 300 downloads from our website. In 2021 we had a total of 2172 downloads. Having lived and worked in China, I am acquainted with the system Christians use to disseminate material. Keep in mind that each item downloaded from our site will be shared with many others.

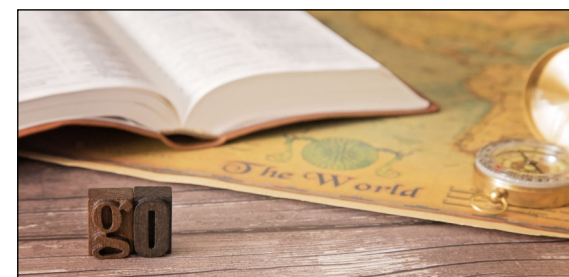

We have many more books in the pipeline for 2022. Also, this year, we will begin uploading video teaching to the FLP Chinese site. We know that this information will reach into areas of China that we cannot reach through other means.

Your prayers and support have made all this possible. Also, I would like to personally thank Wayne Li and the translators living in China for their part in making this a significant project.

## ***What's in Store for 2022?***

With every new year comes the anticipation of expectation and change. All of us at GCIM are looking forward to another year to share the Good News, impart blessings, help encourage and strengthen believers, and expand the Kingdom of God.

We will continue to travel and minister to churches here in the US as opportunity provides. We will also continue to minister to our overseas contacts through various forms of media and in-person meetings as opportunities become available.

Connie and I cannot express in words our love and appreciation for you, our friends and partners! Thank you for your incredible love, support, and prayers over the past 15 years working in China and Asia. You have been

amazing, and we want you to know that we continue to pray for you to experience God's goodness and blessings in your lives.

*Wayne & Connie*
