

2024 Spring Newsletter:

We are thrilled with the many opportunities we have had to travel to and minister both Stateside and internationally so far this year. Since January, we've spoken at eleven of our partner churches in the US and traveled to two international locations.

During a one-week meeting in Windsor, Ontario, Canada, we had two services daily: prayer in the morning and Holy Spirit meetings at night. During the meetings, we witnessed many individuals experiencing the move of the Holy Spirit for the first time. We also received several testimonies of healing, including complete healing from leg and joint injuries, as well as physical conditions that were previously deemed incurable.

We are grateful and give all the glory to God for what He is doing in churches throughout the US and Canada. To see where we will be traveling next, visit our website for more information.

Gary Crowl International and Kingdom Building International

GCIM also continues to partner with Kingdom Building International (KBI) to expand our reach in equipping Pastors and Leaders. GCIM's vision has not changed; we are simply enlarging it to reach more nations with the Gospel and the message of Faith. In February, we held our first team meeting in San Antonio. We had a great time of fellowship, prayer, and planning. KBI is a key group of individuals with a like-minded mission of changing nations with the power of the Gospel.

For 2024, GCIM & KBI have organized two retreats and one conference in the nations of Greece, Thailand, and India. In all, these gatherings will impact over sixty pastors and leaders. These events will bring together individuals traveling from throughout Greece, Albania, India, and China. They will have opportunities to be refreshed, gain insight, and focus on God's plan for their lives and ministries. We are thrilled about the impact we are making in these countries by speaking into the lives of these influential leaders, as well as being a catalyst for people from these nations to build strategic relationships with other like-hearted leaders.

Also in April, Denis Goulet and I held a three-day retreat and conference for 30 pastors from the region. Pastor Spyros's heart has always been to unite the churches in Greece to work together to reach their nation. The conference was a great success and God worked wonders in the lives of all who attended. We heard testimonies from leading pastors who publicly declared that God touched their hearts and that they are ready to work together with Pastor Spyros to reach the nation of Greece. We were overjoyed at these pastors' commitments to pray collectively for Greece and to work together to spread the Gospel.

Above and Beyond Ministry in Greece

Connie and I have been traveling to Greece for the past 16 years. We have been privileged to work alongside our very good friend, Pastor Spyros Voulgaris, and his associates, Elias and Bruna. During our April trip to Greece, we had the honor of installing Elias and Bruna as the lead pastors of Logos Church, Athens. This transition was a lifelong dream of Pastor Spyros. Under this new pastoral leadership, Logos Church will continue to grow and impact Greece.

Making an Impact with Digital Media

We continue to make a significant impact in China through our digital platforms. We currently have 35 resources available at flpchinese.com. In April, we logged our 100,000th download from the site! With each new title, we expect those numbers to continue to grow.

The impact of our Audiobook Project has also exceeded our expectations. 10 out of our 14 *Phase One* titles have already been produced and released on our FLP Chinese YouTube channel : www.youtube.com/@flpchinesekenethahagin. As of this writing, we've logged over 25,000 views with about 9,000 hours of video engagement.

We want to keep the content coming! Our 8 new *Phase Two* titles are now available for sponsorship! Visit gcinternational.org/connect/projects/ to choose a title and help us meet our next goals!

Free Resources for You, Too!

As you know, we also launched a GCIM YouTube Channel last fall. We post one of my teachings weekly and are thrilled to see the number of individuals accessing it. During our travels throughout the US and abroad this year, we've received lots of feedback from people viewing our content. Knowing that our teachings are making a difference in people's lives in numerous nations is a blessing.

Upcoming International Trips

GCIM is adding more international trips to our 2024 schedule. At the end of June, we will be in Bangkok, Thailand, where we will speak at RHEMA Bangkok Church. After that, we will hold a one-week conference with Amos Wong and 20 pastors from China. Many of these pastors are connected to a vast network of churches. This continues our ongoing work with Amos Wong and his ministry in China (amoswong.org).

In October, I will be traveling to Thailand again. We will host ten pastors from India making the trip to attend our KBI retreat. After the retreat, we will fly to India to visit two more of our partners doing an amazing work impacting leaders in India.

As always, we would appreciate your prayers for our team and for the impact these trips will have.

A Big Thank You!

Connie and I want to thank you for helping us to continue carrying the Faith message into even more nations. We are expanding our influence into many places that need to see a

spiritual harvest before Jesus returns. The gift of your prayers, partnership, and financial support, make all of this possible.
