

2024 Summer Newsletter:

This year marked the beginning of a new season of ministry for Connie and me. For the past forty-four years, we have planted churches and Bible schools

and trained and mentored leaders in many nations around the globe.

While the season may have changed, our vision and mission have not changed. We will continue to work with churches and leaders in specific nations, but we will also focus on providing resources and teaching to help leaders and churches make a significant impact in their own cities and nations. We will emphasize three main areas:

- Specialized Retreats and Conferences that deal with real-life issues facing ministers and front-line workers.
- Resources and Training personalized to the specific needs of local churches and leaders.
- Developing a Prayer Network that connects real-time requests with our ministry partners and prayer groups.

We look forward to sharing more about God's strategies for accomplishing His plan.

Prayer Conferences Continue

This summer, we have continued to have numerous opportunities to teach on the subject of prayer, focusing particularly on the prayers of intercession and supplication. Since the beginning of 2023, we have felt a strong prompting from the Holy Spirit to focus the attention of the Church and believers on these types of prayer.

Our intention is not to minimize other types of prayer but to emphasize the need for these prayers and their importance in bringing change to our natural world so that God's plan for the harvest can be fulfilled. If we desire to see a change in our natural world, we must have a revival of these prayers.

Nothing happens in this world without the Church cooperating with God's plan. One major way God's plan is carried out is through prayer energized and directed by the Holy Spirit. John Wesley said, "God does nothing except in response to believing prayer." It is evident from the scriptures that God must have the Body of Christ's involvement for His will to be accomplished on this earth. A Closed Nation Pastor's Conference—Refreshing and Equipping...to Multiply

In July, GCIM and Kingdom Building International partnered together to host fourteen pastors from a closed nation at a retreat/conference in Thailand. These individuals represented a wide cross-section of disciple-makers, from large metropolitan areas to minorities living in more remote places.

We were able to provide a variety of activities along with times of prayer, teaching, and encouragement. We also had opportunities to discuss the current situation many of these leaders are facing, as well as the current needs of the church in this nation.

Every attendee expressed their deep gratitude for an opportunity to experience the freedom to worship and express themselves, as well as to have everything freely provided for them. We are only able to offer these types of retreats because of the generosity of our GCIM and KBI partners.

Thank you for partnering with us to continue to impact this closed nation through our resources, personalized retreats, and conferences. We believe this nation is critical to God's plan of reaping a significant harvest of souls before His return.

Reaching Further with Digital Media

Another way to equip the Chinese church and Mandarin-speaking believers world-wide is through providing more accessible and solid teaching resources. We continue to release new FLP Chinese materials each month.

We are nearing the 1000 subscribers milestone on YouTube and are excited to see the continued impact of our channel. Currently, our focus is on creating audiobooks for as many of our FLP Chinese books as possible. In September, we will be releasing our 14th and final *Phase I* Audiobook.

But we're not done! Would you consider giving toward one of our *Phase 2* Audiobook titles?

Kingdom Building Expansions

In our last newsletter, we took time to highlight our partnership with a new ministry called Kingdom Building International. The goal of this new initiative is to train Christian leaders and support local churches in unreached regions. GCIM is partnering with these new outreaches to have a greater impact on our target nations. You can access more information at www.kingdombuilding.us, and we look forward to sharing more with you as our partnership with KBI continues to develop and expand!

Upcoming International Trips

This fall, we continue our 2024 international travels. In September, we will be ministering in Toronto, Canada at Foundation for Life Family Church.

Then, in October, I will be traveling to Thailand again. We will host ten pastors from India making the trip to attend our KBI retreat. After the retreat, we will fly to India to visit two more of our partners doing an amazing work impacting leaders in India.

Recently, we also confirmed yet another trip to Singapore in November—a multi-purposed trip we expect to have significant impact. We've begun scheduling into 2025, as well. His Kingdom is ever expanding! As always, thank you for your prayers and support that make all these things possible!
