

## 2025 Spring Newsletter:

Some of our partners have inquired about our current ministry position. Many of you may know that we spent the last three years helping to establish Boerne River Church in Boerne, Texas. Beginning this year, we are transitioning the pastoral leadership to the incoming pastor. We are excited about the individual God has sent to lead the pastoral team and the excellent staff that has come together to drive BRC into a new season of growth and outreach.

During the three years we planted BRC, we maintained a full itinerant and missionary schedule with GCIM, traveling throughout the U.S. and overseas to nations we are connected with. **This summer, we are transitioning back to full-time itinerant missionary work.** We already have a busy schedule, traveling to partner churches and other nations.

## Spring 2025 Trip to Athens and Crete—An Increasing Impact

Connie and I travelled together this spring for a multi-day trip to Athens, Greece and the island of Crete. We were privileged to minister several times at three different churches. Our first stop was with Pastors Elias and Bruna of Logos Church in Athens, where we have spoken almost every year since its inception in 2008. We spoke at a multi-session event on Saturday about the subject of prayer and again during the main service on Sunday morning. Pastors Elias and Bruna have done an amazing job leading the church and welcoming many young people and families into their congregation.

We were also invited to a new church for us located in Athens—the Hellenic Christian Church—for a joint service welcoming young adults from various churches in the area. We want to thank Pastor Alex for inviting us to be a part of this special service.

From Athens, we then flew to Heraklion, Crete, to be with our good friend, Spyros Voulgaris, the pastor of Logos Church Crete and the founding pastor of Logos Church Athens. We were privileged to spend a few days in Crete with

Pastor Spyros and also to join in

multiple services there on Tuesday and Wednesday evenings. The church family in Crete has grown so much that they are already in need of a new building. We are excited to witness what God is accomplishing in Crete through Logos Church under the leadership of Pastor Spyros. Please keep their church in your prayers as they search for a new location. Any financial support for Spyros Voulgaris Ministries would be greatly appreciated, especially as they establish this new work and plan for expansion throughout the island of Crete. ## Kingdom Building International

Kingdom Building International is a collaborative outreach initiative between BRC and GCIM. This ministry was born from prayer and dialogue about how to best become more effective in reaping the harvest in key nations. We sense God leading us to focus on four areas:

- ◆ Mentoring leaders by collaborating on ideas and sharing experiences.
- ◆ Providing resources to strengthen churches.
- ◆ Offering specialized seminars that are aimed at enhancing spiritual leadership.
- ◆ Establishing a prayer network to support frontline workers.

And we are seeing the fruit! As of the end of 2025, we will have completed *TEN Missions Reimagined* Summits. Thus far, we have impacted 95 leaders from 20 nations representing more than 147 churches. We have also developed a discipleship manual for churches that has been translated into Chinese, Hindi, and Urdu. (Lao and Thai are in process.) In addition, we have held 3 specialized training events for leaders in China, India, and Greece and are launching a prayer network connecting leaders on the front lines of ministry with prayer partners. ## FLP Chinese Updates

In March, we officially hit another FLP Chinese YouTube milestone, too: 50,000 hours of content watched! This would be like listening to over five and a half YEARS of 24/7 teaching of God's Word!

As of the first quarter of 2025, we have 35 Chinese titles available for download at [flpchinese.com](http://flpchinese.com) (in .pdf book/audiobook and video/audio form)—66 free download options in all. Visitors from Mainland China are still our primary audience and our total overall downloads were 122,219.

For the FLP Chinese YouTube Channel first quarter stats, we had: 45 videos available for viewing, 2,642 subscribers to the channel, 153,716 total views, and 55,200 hours of teaching actually logged as watched. These resources are making an impact!

## Always with Thanks...

Connie and I are deeply grateful for you, our partners. Your remarkable support over the years, through your faithful prayers and generous donations, has been invaluable. Everything we do and

accomplish through God's grace and wisdom could not have been achieved without you. We know you will be richly rewarded for your generosity. Thank you again for believing in us and helping us expand the Kingdom of God!
